FIELD BANNERS

Cypress Bay High School, known for its large enrollment and high college-placement rate, had more budget cuts than any other Broward County public school. We are trying to raise money for the baseball program at Cypress Bay High School. Our fundraising efforts will help supply the team with necessary equipment and allow us to upgrade our baseball facilities. The good news is that there is a way in which you can help support our program.

All across our outfield fence, we will be putting up large banners that will advertise local businesses, services and personal messages. The banners will hang proud for all Varsity and JV games during the fall and regular baseball season and will remain up during all County tournaments, as well as summer league games.

A link to your business will also be provided in our Sponsors page of our website.

The signs are professionally printed on 4'x8' FULL COLOR all weather, mesh vinyl.

Your business name will be shown, the nature of your business and a phone number. You can supply us with the artwork or we can use our standard format.
